Franklin County Canvassing Board  
c/o Zona Lenhart, Franklin County Auditor  
PO Box 1451  
Pasco, WA 99301

Dear Franklin County Canvassing Board Members:

In accordance with RCW 29A.04.570, the State Election Certification and Training Program conducted a comprehensive review of election procedures in Franklin County during the 2009 Primary Election.

The RCW also requires a follow-up contact to verify the Franklin County Elections Department has taken the steps necessary to correct the changes recommended in the review report. I am pleased to acknowledge that the elections department has implemented all of the recommendations made during the Election Review.

The reviewer also provided some suggestions for increased efficiency and public access to the Franklin County Elections Facility that have also been implemented by the Franklin County Auditor giving the public better access to observe the election process and still maintain the security of the facility

I commend the elections department for their obvious dedication to the election process and their desire to improve an already good operation.

If you have any questions, please contact me at [kay.ramsay@sos.wa.gov](mailto:kay.ramsay@sos.wa.gov), or 360.725.5785.

Sincerely,
